### Elden Ring Features Key:

In the Belly of the Endless Dragon An ethereal world where the difference between real and virtual is faded with the main character being constantly surrounded by the existential atmosphere of the lands. The living body of a woman drifts in and out, providing the player with the feeling of being inside the game. Whenever the player transforms into a monster or searches for treasure, the woman will gasp and invoke a strange feeling. A gloomy dream world brimming with loneliness, where you will show your power and gain fame as a hero.

A New Fantasy Action RPG A new fantasy RPG with a relatively open world and complex dungeon designs that go beyond the limitations of the traditional experience. In addition to action and RPG elements, dungeons are rife with the sense of danger. As the descendant of the group that established the Elden Ring, you can change anything at any time. Link with others by entering the dream world of the woman, who drifts in and out.

Maintain Your Title...It's a Noble Profession! You can obtain the title of the "Elden Lord," making you a feudal lord. Gaining the title will make it easier to find other people who can marry up with you or accept jobs from you. Choosing the "Tree of Life" will grant you access to the contents of a dungeon. Spending money in the tavern will let you increase your level or purchase new equipment and spells. Choose both from this lifestyle and the noble profession of adventuring.

Unfolding With a Single Click Unfold the world of the Lands Between by selecting different pieces of information in the world map, allowing you to find new routes and dungeons. If you want to gain access to a special treasure or wish to be able to change the world, use the click icon. Or when you have found everything you want, click the completion icon to finish the quest. You can use this map to choose the locations that you want to interact with.

Open World Exploration Stays in Style Explore the world at your leisure and discover everything in it. You can travel freely, which lets you gain a sense of accomplishment and feel a sense of freedom. In times of peace, you can talk with villagers and thematic NPCs in the village, perhaps developing a relationship between the two. In times of disaster or times of
